NOTICE OF PROPOSED RULE MAKING

Adopted: May 18, 2004

Released: May 28, 2004

Comment Date: July 19, 2004

Reply Comment Date: August 3, 2004

By the Chief, Video Division:

1. The Commission has before it a petition for rule making filed by Pacifica Broadcasting Company ("Pacifica"), licensee of noncommercial educational station KALO(TV), Honolulu, Hawaii. Pacifica requests the substitution of DTV channel *10 for station KALO assigned DTV channel *39c.

2. Pacifica contends that its proposed channel substitution will serve the public interest by allowing KALO-DT to provide improved and maximized service. Pacifica states that the current authorized DTV facilities of KALO-DT are limited by the adjacent channel allotment of channel 40 to station KITV-DT, Honolulu, Hawaii. It argues that the noncommercial educational service to be offered by KALO-DT upon grant of its DTV construction permit is restricted and cannot be maximized to its full potential. Conversely, the adoption of its channel change will allow KALO-DT to maximize its service area. In addition, Pacifica states that the change from a UHF channel to a VHF channel will lead to associated savings in operational costs, including significant reductions in the cost of power to operate the station.

3. We believe Pacifica's proposal warrants consideration. DTV Channel *10 can be substituted for DTV Channel *39c at Honolulu, Hawaii, as proposed, in compliance with the principle community coverage requirements of Section 73.625(a) with a "c" designation at coordinates 21-23-45 N. and 158-05-58 W. In addition, we find that this channel change is acceptable under the 2 percent criterion for de minimis impact that is applied in evaluating requests for modification of initial DTV allotments under Section 73.623(c)(2). We propose to substitute DTV Channel *10c for DTV Channel *39c for station KALO-DT at Honolulu with the following specifications:

State & City	DTV Channel	DTV power (kW)	Antenna HAAT (m)
HI Honolulu	*10c	25	577

4. Accordingly, we seek comments on the proposed amendment of the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules, for the community listed below, to read as follows:

<u>City</u>	<u>Channel No.</u>	
	<u>Present</u>	<u>Proposed</u>
Honolulu, Hawaii	8, *18, 19, 22, 23, 27c, 31, 33c, 35, *39c, 40, *43	8, *10c, *18, 19, 22, 23, 27c, 31, 33c, 35, 40, *43

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before July 19, 2004, and reply comments on or before August 3, 2004, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner, or its counsel or consultant, as follows:

Anne Goodwin Crump
Fletcher, Heald & Hildreth, P.L.C.
1300 North 17th Street
Eleventh Floor
Arlington, Virginia 22209
(Counsel for Pacifica Broadcasting Company)

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the TV Table of Allotments, Section 73.606(b) and 73.622(b) of the Commission's Rules. See Certification That Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), 73.504 and 73.606(b) of the Commission's Rules, 46 FR 11549, February 9, 1981. The Regulatory Flexibility Act of 1980 would also not apply to rule making proceedings to amend the DTV Table of Allotments, Section 73.622(b) of the Commission's Rules.

8. For further information concerning this proceeding, contact Pam Blumenthal, Media Bureau, (202) 418-1600. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no ex parte presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An ex parte presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an ex parte presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an ex parte presentation and shall not be considered in the proceeding.

2. Showings Required. Comments are invited on the proposal(s) discussed in the Notice of Proposed Rule Making to which this Appendix is attached. Proponent(s) will be expected to answer whatever questions are presented in initial comments. The proponent of a proposed allotment is also expected to file comments even if it only resubmits or incorporates by reference its former pleadings. It should also restate its present intention to apply for the channel if it is allotted and, if authorized, to build a station promptly. Failure to file may lead to denial of the request.

3. Cut-off protection. The following procedures will govern the consideration of filings in this proceeding.

(a) Counterproposals advanced in this proceeding itself will be considered, if advanced in initial comments, so that parties may comment on them in reply comments. They will not be considered if advanced in reply comments. (See Section 1.420(d) of the Commission's Rules).

(b) With respect to petitions for rule making which conflict with the proposals in this Notice, they will be considered as comments in the proceeding, and Public Notice to this effect will be given as long as they are filed before the date for filing initial comments herein. If they are filed later than that, they will not be considered in connection with the decision in this docket.

(c) The filing of a counterproposal may lead the Commission to allot a different channel than was requested for any of the communities involved.

4. Comments and Reply Comments; Service. Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the Notice of Proposed Rule Making to which this Appendix is attached.
